My Dear Lynda: I read these words over several times
and they mean a lot to me. I think about you often

When man begins to understand

He will learn to love

And when his love is understood

There will be everlasting Peace

and remember the nice visit we had the first
time we ever met. We had so much in common to
talk about. I think about you often. How is College? I am
working part time at our store and getting along O. K.
I'd like for you to come and visit me some time. You
are always welcome - Good-bye now and I Love you
