

Thinking
about
YOU

Linda,

12 July '82

If this special
"cheer-up" greeting
Does what it's supposed to do
It will add
a touch of sunshine
To the days ahead of you
And, even more important,
Maybe it will help to show
That you're thought about
more often
And more warmly
than you know!

Hangin' in there,
☺
Love Ya,
Jenny
