DEAR LINDA,

Just a little SEASONAL GREETING. I'm
LIVING AT HOME DOING ODD JOBS AROUND TOWN.
THE JOB MARKET IS TIGHT BUT I'M FINE. I
WON'T PULL THE WOOL OVER YOUR EYES AND TELL YOU
MY HOMETOWN HAS DESERT SCENES LIKE THIS ONE,
BUT I KNOW WHERE TO GO 2 HOURS FROM
HERE FOR THE SAME EFFECT.

"Peace on Earth, Good Will to Men,"
is heard throughout the land,
As it echoes from the mountain glen
and over desert sand.

TAKE CARE,

Merry Christmas
and a Happy New Year
