

Dear Linda,

Hi how ya doin? Just thinking about you & had a spare moment to write you a short note. A lot of the time it seems like the days are too short, to get everything you want to into them. Well I've quit my second job, so that will give me a chance to catch up on other things now. How's school so far this semester & your trip to New York? I didn't even know you were going, how exciting. Maybe sometime, if you would like the company, I could come visit you and we could stop & just relax & have a good time, if your schedule isn't too busy, Well I'm at work so I better get back with it. I still want to get this family reunion off the ground.  
See ya.

Love your ~~sister~~ sister Diana
