

A Friendly Note

Dear Linda,

This was a better weekend
than I could have planned,
a lovelier time than I ever
expected.

Before this flower fades
my thoughts of you,
my desire for you
will already be growing
stronger.

4/15/85

Of all the things
that make life happy,
your friendship
is one of the nicest!

May God keep you
and bless you,
till we meet again
