

Now you will feel no rain,
For each of you will be shelter
to the other.

Now you will feel no cold,
For each of you will be
warmth to the other.

Now there is no loneliness for you,
Now there is no more loneliness,
Now there is no more loneliness.

Now you are two persons
but there is one life before you.

Go now to your dwelling-place
To enter into the days
of your togetherness.

And may your days be
good and long upon the earth.
