

# What Is a Wedding?

*A* wedding is a beautiful,  
joyous occasion –  
A wonderful time of celebration...

It's a bride and a groom  
in a dream coming true,  
It's the promises made  
with those sweet words, "I do."

It's the warmth and good wishes,  
the laughter and cheer,  
The friends and the family  
all gathered near.

It's those bright, shining moments  
when two start a life  
Of caring and sharing  
as husband and wife.

*May your life together  
be as sweet as the happiness  
and as beautiful as the love  
that you share  
on your wedding day.*

*Congratulations  
And Best Wishes
