

Holiday Greetings

To two of my favorite people. Hope this greeting finds you both Happy & Healthy.

We're all doing well. I'm recuperating unpatiently. There's so much to do this time of year, and I have so much time on my hands & so little energy.

Hope to see you this Christmas, if not we will be thinking & missing you.

Big **HUG** to both of you.

Wishing you
old-fashioned pleasures,
happy memories,
and a world of joy
at Christmas.

With Love,
The Shaffers
Brad, Diana & Ben
