

As I've watched you begin this new chapter of your life, I just wanted to tell you how much I've admired your spirit, your dignity and your courage.

You've had so many changes, so many things to adjust to, that sometimes you must feel overwhelmed by it all.

Yet, although your life has changed, you're still the uniquely wonderful person you've always been.

I hope you'll always remember that  
you have friends who will continue  
to be here for you and care about you...  
friends who like you just the way you are  
and wish you only the best.
