

Gee, thanks!

Dear Linda,
I just realized I hadn't
done this yet! Anyway
thank you so much for
the picnic basket and
the shower. The in-laws
all said how much they
enjoyed the evening and
sided our friends.
Thank you for being
such a good friend to
do that for us! Things
are shaping up here
but there is still a lot
to do. Rosemary and
Rick's mom are trying

to keep me calm but
you know how I get!
I have started a mini
4th on that stuff and
I also found a counsellor
and I feel good about
both. It's late and I'm
tired to write much
but I thought of
something I wanted
to remind you about,
the shoes I have. I
think ~~if~~ since the
dresses are the length
they are it would be
best if the hose match

too. I told Sallie about
the shoes so go ahead
if you havent already
looking forward to
seeing you again -
miss you lots! Oh yeah,
I've been working out
too! Whata drag!
Your dress is done
& looks great, thanks
to Ricks mom. Gotta
quit. Love
Cashy
