

happy happy birthday

Linda,

I know how surprised you must be to hear from me! Hope Al returned from the airport safe & sound. He's a real sweet heart when he wants to be. Must be a family trait! I was sending stickers to some little friends so I thought maybe you'd like to decorate an egg or two for Al. Hope you'll at least get a night off from the kitchen on your birthday - if you were closer we'd love to cook for you but since we're far away I hope Al takes care of that! Happy day!
