Dear Al & Linda

We all miss you both
very much but are glad to
see you learning about Bible subjects.

We have heard you are coming back and eagerly look forward to your return.

Our family is all okay, Angie is coming back home to stay. I guess you know that. Well I think she learned a lot even for just one semester.

Tony is driving now and has already had an accident. No body was hurt just Tony has to pay us back for the accident. We did not turn it into his insurance. He works at Pizza Hut in Arnold.

Jeff is getting bigger and bigger. He wears an 11 shoe and I believe he is going to be tall not like the rest of us.

Jim is still studying piano and seems to like it. He likes school also.

I am still babysitting and Jean is still working for the government.

Love to see you soon.
