

Dear Linda,

Just a note to let you know I prayed for you throughout 1988 - after the Church Planters Conference.

Your prayer request at that time was to start a Bible Study in St. Charles.

During the year as I learned you & I planned serve Him. to come to O.B.C. the focus of my prayer changed.

I hope God blessed you & will continue to do so in your studies.

I hope your job is going well & that you are enjoying it. God does answer prayer!

May God bless you both as you strive to

In Christian Love,
Marion Burnham
