A vibrant, hand-drawn illustration of a landscape. At the top, a rainbow arches across a blue sky with a bright yellow sun. The scene is framed by a brown, wavy border. In the center, a white rectangular area contains the text "God Bless You on Your Birthday and Always" written in a blue, cursive font. The landscape features rolling green hills, several green trees with pink blossoms, a blue river with pink fish, and various flowers including blue irises and a small pink flower. A blue bird is shown in flight on the right side. The overall style is whimsical and celebratory.

God Bless You

And God saw everything
that he had made,
and behold,
it was very good...

Dear Linda:

I was looking through the cards and this one seemed just the right one for you. Hope you have a really good day, Linda, and I hope some one will put a little fun in your life. We will be thinking of you on your day, and we are going to the Red Lobster on your day since it is Hugh's day too. That was such a generous & sweet thing to do. We enjoy the Red Lobster so much - We have always had good food and it is such a treat for us, and because of you, we get to enjoy eating there again.

I think our winter is over. Maybe I'm just hoping, but it felt like summer this P.M. - It was

79° by mid-afternoon and it is now 7:15 ^{p.m.} and we have the door and some of the windows open - Love that fresh air.

I got to see your Mom earlier this month. - We had a good visit and I enjoyed her so much. I really miss her. She usually gives me "a lift" and at times, I really need that.

It's time for me to get my nightgown and foot robe on. ha I can't wait until after our evening meal, so I can get my comfortable clothes on. ha.

Will you be coming home any time soon? If so, I hope you'll come see us.

Love ya'
Aunt Louise
