Dear Linda,

Thank you so very much for the beautiful Tiffany stained glass. You were right, I do Love it !! I can't wait to move and display it in our "NEW" house.

The package came today (4/17) while I was at work, and it was all Mom could do to keep Mandy & Mallory from tearing it open. ( ha ha )

Please try to make arrangements to come & spend some time with us. I really want you to get to know Joe, and the girls - Amber 5 yrs. & Brooke 3 yrs.

Thank you, again, I Love You & Miss you very much !!!!!
