

*For a
Very Special Daughter*

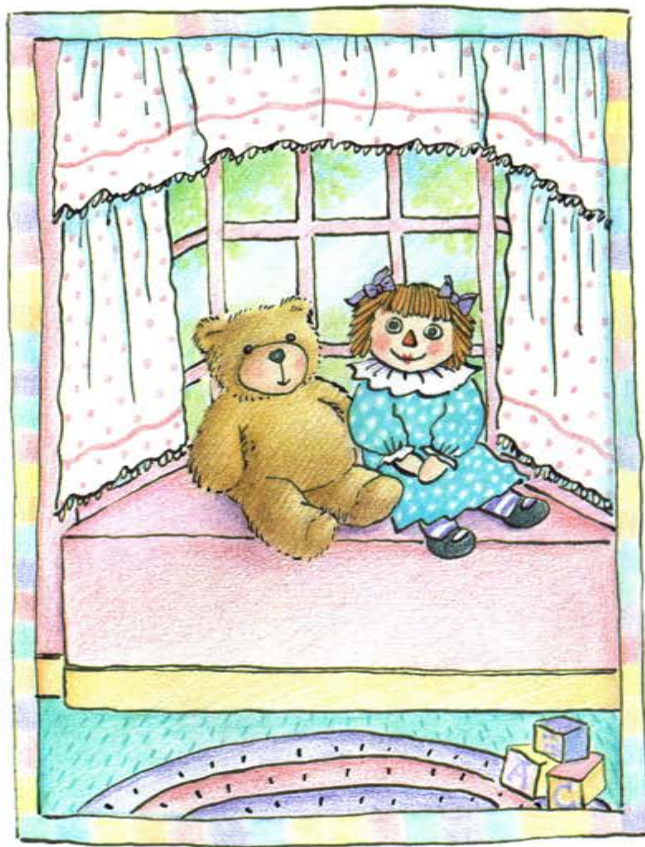

WITH LOVE AND PRIDE
ON YOUR BIRTHDAY

To Lisa
with love,
Mom,

Happy Birthday!

Oct 11, 1996

You brightened the world
on the day you were born
and brought love
to our home as you grew...

*You were a child
full of sunshine
and laughter--
Remember the things
you would do?*

*Caring has
always been part
of your life--
you're concerned
with how others
might feel...*

*And people
who know you
respond to your
kindness,
because they can
tell that it's real.*

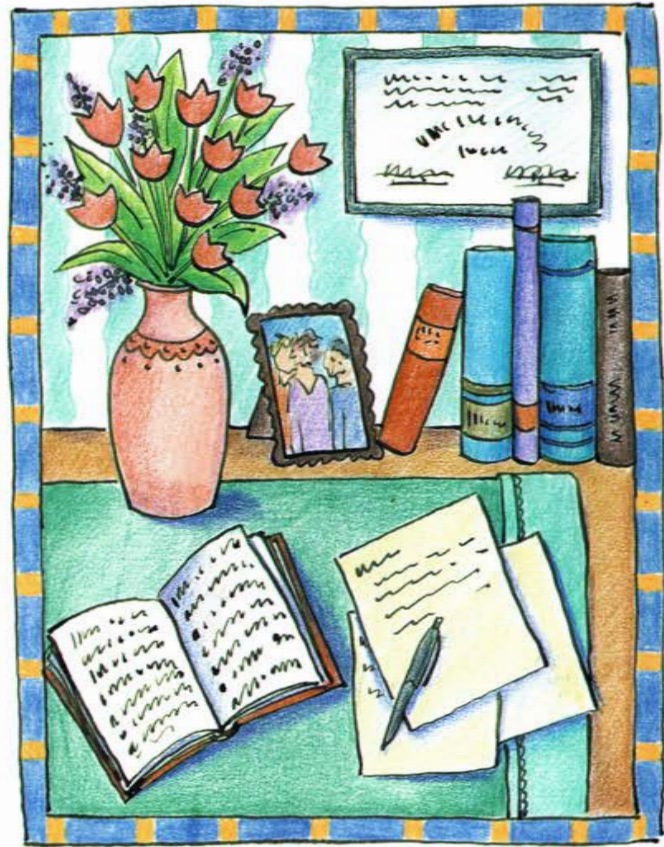

*It's hard to believe
how quickly
you've grown
and all you've
already achieved--*

The family's
so proud of the
wonderful things
you've accomplished
because you've
believed...

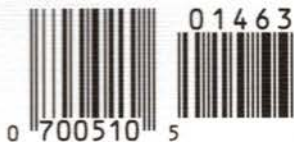

And it's just the beginning--
you're sure to do more--
it's a fact that the future will show.

So remember, the love
and support of your family
are with you wherever you go.

Happy Birthday
