Linda,  
Hope you are well and getting adjusted to the new store. I love my job. Right now everyone is out decorating office buildings. The warehouse is wall to wall poinsettias. We are going to my moms for Christmas, then back to St. Louis for the weekend with Wally's family. Been shopping and decorating and have a couple of craft projects going. Have a safe and Happy Holiday Season.

Sick of buying new ornaments year after year, the Jones family resorted to desperate, but highly effective, measures.

Happy Holidays

Cathy & Wally
