

New
Hope

Dear Linda:

My deepest sympathy on
the death and loss of your
Dad. I'll offer prayers and
my mass on Father's Day
for you, your family, and
of course, your Father.

I'm so grateful for the
spirituality that touched your
life and gave you direction
in returning to move home
to Kansas for the opportunity
to be with your family.

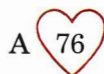

I hope life is good! I
think our photo is a great
reminder of our good visits
and solid friendship. Bless!

Each day —
the world is born again . . .
. . . for He refreshes
the earth
and gives new hope
to all creation.

He touches life
with His Spirit
and brings
peace and love
to every corner
of His universe.

He is with you now . . .
He is with you always.

Love and Prayers,
Ann
