

Dear Linda & Shiley -

I guess this is still your address. I really haven't forgotten about the reunion, but since 1988 is Virginia & Joan's 50th year, I am waiting to see what they do. I would hate to have anyone make the choice to come to a reunion & then not come to their celebration (if they have one). or (vice versa).

How are you all?
My new E-mail address is

Thinking of you
and wishing you
a very
merry Christmas.

Love,
Marilyn & Ron
