

For You, DAUGHTER

With Lots of Love and Pride

*From the wonderful moment
when you were first born,
You've brought special meaning
to each passing day...*

*You've been a true gift
to the people around you
By sharing your love
in your own unique way...*

Dear Linda, No daughter could ever be
loved more than you
Or admired for the goodness
and joy you provide...

No parent could ever feel
love in such measure
Or have a heart full
of such genuine pride!

Happy Birthday! !

Love
Mom
