

Take It Easy...
And Soon
You'll Feel
Great

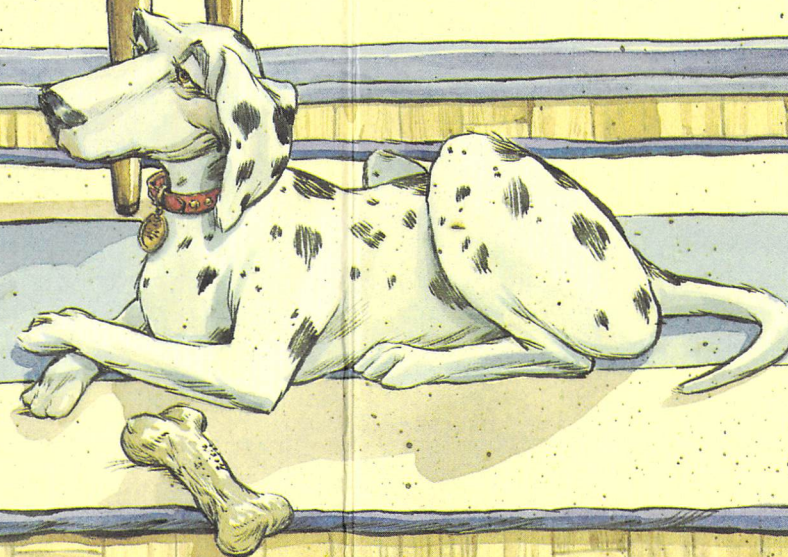

Take It Easy...
And Soon
You'll Feel
Great

My dear Linda,
Recuperating can't be rushed,
So don't be in a hurry
To jump into your old routine too fast,
Concentrate on getting well,
Be careful and don't worry,
Just think how great you'll
Feel when this is past!

*Love
mother*
