

*I know you're going through
a difficult time
right now...*

and you can be sure that God knows it, too.

I wish I could do something to make
everything all right for you, but since I can't,

I just want you to know that

I'm praying for you.

*Sometimes we wonder
why things
like this happen.*

I don't have the answers,

but I do know this much...

God won't let you go through

this by yourself.

He'll be with you all the way.

He's always there

when you need Him,

and He wants so much to comfort you.

He'll give you the courage to carry on,

the strength to handle

whatever comes.

*If there's something
I can do for you,*

I want to help
in any way I can.

So please remember
that you're never alone,
for God cares...

and so do I.
