

Get Well Soon

Dear Linda, Tom + I
Traded in our little
Boat and got a little
Bit Bigger Boat. ITS
much nicer, has a LADDER
on the BACK so I can
get in and out easier.
Has a stereo + a canopy
Top. IT goes fast, it
doesn't like going slow,
Maybe By next Summer
you will feel better and
maybe go Boating with us.
I got a Bad Sunburn,
The worst in my life,
I had Blisters on my
Eye lids.

The Bible study I go to;
we are all still
Praying for you.

HOPE YOU'RE SOON
FEELING BETTER AND
JUMPING WITH JOY
ONCE AGAIN!

GET WELL SOON

on Anatomy and
physiology.
Have you started
your School yet?
