

For A Good Friend

A SPECIAL VERSE
BY
HELEN STEINER
RICE

Father, make us kind and wise
So we may always recognize
The blessings that are ours to take,
The friendships that are ours to make
If we but open our heart's door wide
To let the sunshine of love inside.

Friends like you
add a touch of

to everyday life.

Some things are
spoken in silence.

Your friend
Love to,
