Dear Linda,

Happy belated Birthday, I almost came that Sunday of your Birthday (to the meeting) but it was raining. I hope your Birthday was all you could want it to be. I'm sure you've already received many blessings being clean & sober.

---

You are a blessing to me.

I'm glad you're my friend.

Keep on keeping on.

Love

Camie & Jack

## NARSAD *Artworks*

All of our artists suffer from brain disorders called mental illness.

The severe mental illnesses are biomedical puzzles. These disorders affect many human functions, including the thought processes in the schizophrenias and the moods and emotions in depression and manic depression.

**NARSAD**, the National Alliance for Research on Schizophrenia and Depression, was founded by the National Alliance for the Mentally Ill, the National Depressive and Manic Depressive Association and the National Mental Health Association in 1986.
