

Linda,

7-9-99

Tx's for the PH. call.

I saw DR. from the K.U. Med. Center. I have (5), small spots/growths that have to be removed. (2) will be by Laser, 3 with the knife.

I will stay, sometimes at Adams House, Maple Hill. To go back & forth for follow-up + Dressing changes.

When I am able to get away I'll stay up North.

Hopes all goes well for you.

Danny

P.S. I'm doing the Best I Can.
