Hi! I'm hoping you're still in your happy place, or this will get forwarded. I know your lease was supposed to be up in June. I just spent a week with my friend, Anne. It was a welcome break after 3 mos. ~~exp.~~ from the heat! 40°C here when I left and 20°C there when I arrived. Hope all is well w/ you. Greetings to your Mom & Dad. Blessings! *Jet*
