

Perhaps they are not the stars,  
but rather openings in Heaven  
where the love of our lost ones  
shines down to let us know  
they are with us.

With Sympathy

LINDA -

Just a note to say that I'm  
sorry about the loss of your Aunt  
Legist. It sounded like you were  
very close as well as being supportive  
to your family. I have lost many relatives  
and it is different for each person. Take  
your time to hear and cherish the good  
MEMORIES.
