

Here's a

# BIRTHDAY CARD

for a really SELF-AWARE  
PERSON with a HIGH  
EMOTIONAL IQ.

It DOESN'T urge you  
to get into recovery,  
take a personal inventory,  
recover lost memories,  
feel your anger, let go  
of your denial,  
run with the wolves,  
or find your "happy place"...

It only gets better!  
Mary

Happy B-Day!!!  
Linda...  
Jeff

It just sits  
in your hand  
and wishes you  
a happy  
birthday!

GETTING OLDER IS NOT FOR  
WIMPS!

Have a very  
HAPPY BIRTHDAY  
Cheryl R.

Happy 40th!!  
Dena

Happy Birthday!  
Cindy

Happy Birthday  
and yes this  
is signed in  
BLACK!!  
Jenna

Happy Birthday  
you deserve a  
great year!  
Kurt

Have you purchased  
Long term care insurance  
yet? The rates really rise  
quickly for every year that  
you wait once you get up to  
your age. Are you targeting  
AZ or FL for vacation next winter?  
See you at the nursing home!  
Lowell
