Dear Linda;

I bought this gift for you the next day after we talked and here it is still here. I guess I thought I ~~it~~ might see you before you left for home. Since I didn't, I'm going to send it to you before I lose it. ha Seems we have a habit of doing things like that.

I didn't make any resolutions - I'd probably not remember them anyway, but I told myself I'd try to keep things going as smoothly as I could. That way I won't have to worry about breaking any resolutions.

Your Mother has been helping me to get rid of papers - old letters, ads and whatever, that was overtaking our house ha Well, that's a bit of an exaggeration (sp) - She's been great!!!

Linda, I want to thank you for all you do for us - We appreciate it so much - ~~to~~ Especially now that everything has gone up - I'm sure you will notice that too - Some of the raises are expected, but some of them blew the raises sky high. Tell you about it, huh?

We love you and come see us when you come to Topeka, if you can

Love you  
Murt Louise
