

THANK YOU

Dear Linda,

I do hope you had a safe trip on your way to Jonesboro. As you probably heard it's been pretty cold here.

My girls and I went to see a movie today. It was so funny. - The movie was full. Unusual.

I thank you for the beautiful bouquet from Porterfields. It had three peach roses along with some other flowers plus Christmas greenery.

I'm grateful your mother & sister were able to help you move.

The best to you in your new job.

I was told that Clay is getting a divorce. I know no details. I was hoping they could get back together. She seems like a nice person.

Please tell, Charles, Hello from, Beverly
