

Dear Linda,

I'm sending back your photos. I have enjoyed them and thank you for sharing the pictures to me.

You asked if I had them in my photo album and "I said yes" however they were in NA's. I have been retiring items to people for I don't know what will happen to my things when my turn comes.

I am doing quite well but I  
become tired after being out running  
errands.

I'm still driving and that helps  
everyone. Some of my appointments  
are close to home. Yea!!

I hope you and Charles are doing  
well.

If ever you want to go out to  
the library let me know. Take Care  
Love Barbara
