

*For a Wonderful Sister*

It's a different world at Christmastime-  
more people seem to make  
a little extra effort  
for somebody else's sake.  
They seem to find more chances  
and more ways to help and share.  
They seem to find more reasons  
why things matter, why they care...

It's a different world at Christmastime-  
more people seem to do  
the loving, life-affirming things  
you do the whole year through.

Merry Christmas
