

THANK YOU

Dear Linda + Charles,

Your son is a handsome  
young man.

I'm making amends for not  
knowing where it was. I  
just drove in earlier. Thank you  
for your kindness. Walking me too  
& from your car.

I'm sorry I made you late for

groceries: Hope they had the  
frozen fuel still frozen.

Maybe we can meet some  
place here.

You are a hard worker. So  
grateful you like your job +  
get a raise.

Don't get too tired.
