

FOR MY

Sister

a keepsake bookmark

Sisters 

are

special people

who are

thought of

lovingly,

And remembered

in the warmest

way

whatever

the day

may be.

Linda,

Sometimes, we don't remember

to tell someone we care,

For though our hearts

are filled with love,

we keep our feelings there,

And somehow with a sister

this seems especially true,

But I hope you know

you mean a lot —

because you really do!

Happy Birthday

Love, Diana,

Sophy & Jasmine
