

FOR A SPECIAL *Daughter*

I hope
this year brings you
not only the big and little things
you've dreamt of for a long time
but also the new dreams
that are finding their way
into your heart.

I hope you have
countless happy moments
and the feeling of accomplishment
in all that you do.
I hope the world
treats you well...

with kindness and appreciation
for all the things
that make you such a great person.
I hope that you find strength
when you most need it
and the kind of love
that steadies you
and makes each day
better than the last.

Dear Linda,

So dream big
and far and wide today...
because you deserve
everything you wish for.
And I hope this year is the year
you get just that.

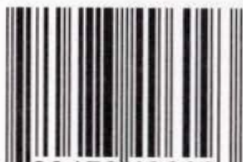

Love you,
Happy Birthday!
Mom
